Innovation Is Our Promise

MULTIPOINT /
KITCHEN DISPENSER

11 SAFETY POINTS

MULTIPOINT / KITCHEN DISPENSER - SHD833

1 Fully Concealed Casing
• Zero moving parts / gaps design to avoid sharp object penetration towards.

10 Safety Power Cut
• Build in high sensitivity digital earth leakage circuit breaker (ELCB)
• Double Pole cut both live and neutral

2 International Protection Rating
• Water jets proof design comply with IEC 60529 for high level protection.

3 Fire Retarded Casing Material
• Non flammable.

7 Double Pole Thermal Cut-Off
• Overheating protection 2 pole complete power cut off in abnormal condition.
• Manual reset to prevent damages

11 Non Combustible Heat Chamber
• Full stainless steel
• Rigid structure

4 Touch Screen Control
• Non Hazardous even in contact with wet condition.

5 Immediate Heating Cut Off
• Only one touch to cut off the heating power.

9 Current Breaking Device (CBD)
• Isolation barrier to eliminate any residual leakage.

6 Auto Sensing Temperature Cut-Out
• Prevent scalding
• Auto reset function.

8 Water Flow Switch
• Deactivate heating if absent of incoming water.
• Prevent Dry-run and over heating.

OPERATING MODE

- TEST** Build in ELCB protection device (E1)
RESET System reset return to normal operation (P2)
+ Heat Up
- Heat Down
(P0) Heater OFF **(P1)** 2kW **(P2)** 4kW **(P3)** 6kW

↑ Cold Water Inlet ↓ Hot Water Outlet

PRODUCT DIMENSIONS

SPECIFICATIONS

| MULTIPOINT / KITCHEN DISPENSER | |
|--------------------------------|---|
| MODEL FEATURES | SHD833 |
| Rated Power | 6.0 Kw |
| Rated Voltage | 240Vac/phase |
| Rated Current | 25 Amps |
| Connecting Cable Size | 4.0 mm ² - 6.0 mm ² |
| Output Temperature | 40°C ~ 50°C |
| IP | IP 25 |
| Minimum Flow | 2L/min |
| Inlet and outlet | BSP 1/2 " |

AUTHORIZED DEALER

- 1st in the world
- Award Winner
- Energy Saving
- No Risk of Electrocution
- 3 Tiers Filtration
- 5 Tiers Protection
