LOUNGE

THE LOUNGE TREND IS AN ANTIDOTE TO A BUSY LIFE, THE ACTION IS TO TAKE A BREAK, IT IS TIME TO "LOUNGE." UNWIND AND CONSIDER THE MOMENT IN YOUR DAY WHEN YOU RELEASE AND FIND COMFORT IN YOUR ENVIRONMENT. ALL OF THE THINGS THAT BRING A SMILE OF CONTENTMENT. WHAT BRINGS YOU PLEASURE, SURELY RELAXES YOU.

Extend these sublime moments with trend forward aesthetics that create a similar story. Veining that allows your eye to easily follow its course, a subtle texture and sheen that invites you to caress the surface and linger during a quiet moment, muted hues that have depth and lightness, and create a background from which to expand your sense of style.

An array of quiet hues, and sinuous patterns are design elements that connect to the spirit within. The cloudlike appeal of Corian® Solid Surface Nimbus Prima is enhanced with its subtle sheen, and light can dance on the cool colored surface of Corian® Solid Surface Stratus, while Corian® Solid Surface White Onyx offers a soothing monochromatic aesthetic with which to relax.

JOURNEY

TRAVEL IS ALWAYS A WAY TO EXPAND THE MIND AND AS A TREND ENCOMPASSES BOTH PHYSICAL AND MENTAL TRAVEL, TRAVEL OFFERS GROWTH, WHETHER TREKKING AROUND THE WORLD, OR SIMPLY AROUND THE KEYBOARD, IT OFFERS NEW EXPERIENCES AND THE ABILITY TO GATHER TALES FILLED WITH WONDER AND EXCITEMENT. THE TREND TO EXPLORE IS STRONG AND RELEVANT TO CREATING INTERIOR SPACES THAT ECHO THE SPIRIT OF THE TRAVELER.

Be it international or local in scope, a journey is about discovery and it can be enhanced with textures and colors that call to mind exotic locations and exquisite details. Journeys can encompass the world, sampling cuisine and enjoying cultures, making the journeys a celebration of life.

Whether filled with the edgy energy of a cityscape, or road less traveled of the countryside, surfaces can recall your journey and are elemental to making your space tell its own story. The trend is for surfaces to offer a sense of a voyage. Highly varied styles can be as simple as a concrete look, offer the unusual movement of exotic materials, or suggest a landscape of wonder.

INDULGE

THERE IS A TREND TO INDULGE, TO BASK IN A MOMENT OF SHEER DELIGHT. PERSONAL, YES, BUT IT IS ALSO TO INDULGE OTHERS WITH ATTENTION, TIME, JOYOUS OCCASIONS, AND SPECIAL ENVIRONMENTS. THE INDULGING TREND IS SHOWING YOU CARE, ABOUT YOURSELF, AND OTHERS.

Indulge is also about superb cuisine, desserts, and drinks to intrigue and satisfy the palette, and their appearances engage the eyes. Plush furnishings add a touch of extravagance to a setting and they invite a space to be savored for an hour or an evening. Rich visual textures, and darker hues, are key to develop the indulgent sense of depth for indulgent comfort.

Corian® Solid Surface Deep Night Sky suggests a special evening on the town, and Corian® Solid Surface Smoke Drift Prima captures elegant design within its richly hued veining. Corian® Solid Surface Carbon Concrete, conjures the luxury of a near-black hue with a design that is at once modern and mysterious. Corian® Solid Surface Evening Prima and Cocoa Prima tantalize the eyes with the flickering of metallics elements and the luscious appeal of their colors.

A CLASSIC COMBINATION OF BLACK AND WHITE DENOTES A TIMELESS STYLE. THE CORIAN® QUARTZ BLACK QUASAR HUE FOR THE COUNTER PROVIDES HIGH CONTRAST TO THE WHITE CABINETS AND BALANCES THE DRAMATIC RANGE HOOD. ALWAYS ON TREND, THE COLOR COMBINATION IS SIMPLE, UNCLUTTERED AND IS AS MODERN AS IT IS TRADITIONAL.
